

Career Technology Education

Denton ISD

Mission

Career Technical Education will *provide* a **positive difference** in the lives of our students by *making connections* through **technology rich**, academically **rigorous curriculum** and **real world applications** that *empower* our students **to** become contributing members of the **global community.**

Vision

Empower our...

- **Students** with the **skills** they need to **compete** in the job market
- **Students** to be **lifelong learners** and **productive global citizens**
- **Teachers** to be **powerful life change agents**
- **Parents** to be **active partners** in developing their students
- **Community** to develop **key partnerships** for our students
