Dear Stacy,

Congratulations on achieving the rank of Eagle Scout! This is a tremendous accomplishment. I wish that I could have been there to congratulate you in person, but I wanted to take a moment to tell you how incredibly proud I am of you.

To achieve the rank of Eagle Scout requires years of diligent leadership, community service, and character development. This is a tall order for anyone. To have done that while battling cancer is an inspiration. You continue to face challenges head-on and refuse to let anything stop you from achieving your goals. Your never-quit spirit shines like a beacon to those around you, both in Scouting and in everyday life.

I wish you much luck as you complete this milestone and work towards graduation in 2027. I will be there to cheer you on! I cannot wait to see what the future holds for you. I have no doubts that you will be successful in whatever you do.

Sincerely,

A handwritten signature in cursive script that reads "Dr. Maria Gamell".
