Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

1. Request permission for out-of-state travel to attend the National Forensic League National Tournament in Kansas City, MO, June 13-18, 2010.
2. Request board funding for student travel.

Provide history/background information on your proposal.

- This is the 8th straight year our team has qualified someone to the National Tournament, this year sending 3 competitors.
- We have had 34 people compete for North Valley at 2 or more tournaments and have been extremely successful. That success has entailed a lot more expenses than usual, so they have fundraised over \$5,000, with fundraising for State and Nationals still to go.
- Rebecca Patch will attend for her 4th straight year, and she was named the South Oregon NFL District Student of the Year.
- In the past, the district has funded students attending the tournament at \$300 per head.

List the advantages of your proposal:

- A board stamp of approval on the successes of these gifted, and hard-working students.
- Reducing the fundraising load on a team which has already done so much.
- North Valley will continue to represent Three Rivers School District in the National Tournament.

List possible disadvantages of your proposal:

- Cost

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

- No alternatives to the out-of-state travel request.
