Superintendent's School Board Report – November 17, 2025

“We are here to help our Students.....
Chart Their Course To Prepare For Their Futures, Navigate Challenges With Grace and
Anchor Themselves In Our Community.”

CORRESPONDENCE

None at this time.

BOARD

Aaron's Work – This month Aaron has been working on staffing issues, and ensuring that our hiring processes are working and moving forward within timelines. He also worked on supporting the Family Academy through process and procedural development, ordering and discussing curriculum options for families. I have also helped to shore up Special Education processes at the high school, help direct our data reporting to the Board, am working with local providers to help bolster our community pre-school options, and as always working to keep up with the endless reports required by ODE. I did have a week of vacation during this month, and also attended the OSBA conference in Portland with four of you.

Individual Board Member/Superintendent Meetings: Please set a time.

STUDENTS/ACADEMICS

Enrollment – Enrollment is still behind a bit, but we are holding steady at our new level.

Conferences – Teachers met with parents October 23 and 24. These were well attended. Principals will share participation rates in their Board reports.

STAFF

Hiring: Open Positions: Bus Drivers, DW Elementary Assistant

Professional Development: Friday PD activities for this moth include: Individual Time, Tools of the Mind work at Driftwood, Teaching and Learning Communities, District focused PD on our “Vision for Student Readiness.”

BUDGET

State and Federal Budget Update – The State of Oregon has forecasted upcoming revenue decreases and has asked each agency to create plans that cut 2.5-5% from their budgets. Final direction from the legislature and ODE is headed our way sooner than later, but we can expect that we will be implementing these cuts in the 26-27 budget. More to come as details are determined and made available.
