**Subject: CCSS for English Language Arts Presentation**

The third episode in the four-part video program on the Common Core State Standards developed by members of the Academic Services Department is ready to be shown to our Board of Education. This episode will showcase the Common Core State Standards for English Language Arts and is being shown in schools throughout the district during April.

Please consider adding this item to the Curriculum Committee portion of the April 8, Committee of the Whole Board of Education Meeting. Thank you for considering this request.
