AGREEMENT

ARTICLE 1 SCOPE OF SERVICES TO BE PROVIDED BY HOSPITAL DISTRICT AND CONTRACTOR

Contractor hereby agrees to perform those tasks and services described in Attachment B, which is also attached hereto and made part thereof of this Contract.

ARTICLE 2 CONTRACT PERIOD

This Contract shall begin on August 01, 2024 and terminate at the close of business on June 30, 2025, unless extended by supplemental agreement duly executed by the Contractor and the Hospital District prior to the date of termination, as provided in Article 9 - Supplemental Agreements, or otherwise terminated, as provided in Article 16 - Termination. Any work performed or cost incurred after the date of termination shall be ineligible for reimbursement.

ARTICLE 3 COMPENSATION AND METHOD OF PAYMENT

The maximum amount payable under this Contract is Fifty-Five Thousand Dollars (\$55,000), unless modified as provided in Article 9 - Supplemental Agreements. Maximum amount payable is not inclusive of any reimbursable expenses as set-out below.

Payments will be made monthly in the amount of Five Thousand Dollars (\$5,000) per month through June 30, 2025. Both parties agree and recognize that any reduction in payment should reflect a proportional reduction in expected monthly hours worked by Contractor.

The Contractor shall prepare and submit to the Hospital District monthly invoices and a progress report stating the status and description of the work accomplished during the billing period to the Administrator via electronic mail, the District's representative under this Contract.

The Contractor shall execute and submit all necessary accounting and/or legal reporting forms (i.e., Internal Revenue Form W-9 Request for Taxpayer Identification Number, Texas Ethics Commission Form 1295-Certificate of Interested Parties, etc.) as statutorily required or requested by Hospital District, prior to the remittance of any payments by the Hospital District for work.

The Hospital District reserves the right to withhold payment pending verification of satisfactory work.

The Hospital District will NOT pay expenses incurred relative to the Contractor's duties, including travel expense, long distance telephone calls, special mailing, or delivery expenses.

The Hospital District assumes no liability for work performed or costs incurred prior to the effective date of this Contract, or during periods when work is suspended, or after the Contract completion date.

ARTICLE 4 WORK AUTHORIZATIONS

[Specifically Excluded]

ARTICLE 5 PROGRESS

The Contractor shall promptly advise the Hospital District, through the Administrator, in writing of events which have a significant impact upon the progress of work, including:

1. problems, delays, or adverse conditions which will materially affect the ability to attain Contract objectives, prevent the meeting of time schedules and goals, or preclude the

attainment of project work units by established time periods; this disclosure will be accompanied by a statement of the action taken, or contemplated, and any District assistance needed to resolve the situation; and

2. favorable developments or events which would enable meeting the work schedule goals sooner than anticipated.

ARTICLE 6 SUSPENSION

The Hospital District may suspend the work, but not terminate the Contract, by giving written notice a minimum of two (2) calendar days prior to the date of suspension. The two (2) day notice may be waived if approved in writing by the parties.

The work will be reinstated and resumed in full force and effect within ten (10) calendar days of receipt of written notice from the Hospital District to resume the work. The ten (10) day notice may be waived if approved in writing by both parties.

If the Hospital District suspends the work, the Contract period, as determined in Article 2 - Contract Period, is not affected and the Contract will terminate on the date specified unless the Contract is amended as provided in Article 9 - Supplemental Agreements.

In the event the District determines that such work constitutes extra work and exceeds the maximum amount payable, the District shall so advise the Contractor and a supplemental agreement may be executed, as provided in Article 9 - Supplemental Agreements.

The Contractor shall not perform any additional work or incur any additional costs prior to the execution, by all parties, of a supplemental agreement. The Hospital District shall not be responsible for actions by the Contractor or any costs incurred by the Contractor relating to additional work not directly associated with the performance of the work authorized in this Contract or as amended.

ARTICLE 8 CHANGES IN WORK

If the Hospital District finds it necessary to request changes to previously satisfactorily completed work or parts thereof which involve changes to the original scope of services or character of work under the Contract, the Contractor shall make such revisions if requested and as directed by the District. This will be considered additional work and paid for as specified under Article 7- Additional Work.

The Contractor shall make such revisions to the work to correct errors appearing therein, when required to do so by the Hospital District. No additional compensation will be paid for the correction of errors.

ARTICLE 9 SUPPLEMENTAL AGREEMENTS

Additional compensation, if appropriate, shall be identified as provided in Article 3 - Compensation and Method of Payment.

Any supplemental agreement must be executed by both parties within the Contract period specified in Article 2 -Contract Period.

If funds by other agencies or entities are to be used for payment of the services under this Contract, the Contractor's services and work may be subject to periodic review and approval by other agencies or entities, including city, county, state, and/or federal agencies.

ARTICLE 13 SUBMISSION OF REPORTS

Should the District terminate this Contract under Item 4 of the above paragraph, the amount charged during the thirty (30) calendar day notice period shall not exceed the amount charged during the preceding thirty (30) calendar days.

If the Contractor defaults in the performance of this Contract or if the Hospital District terminates this Contract for fault on the part of the Contractor, the District will give consideration to the actual costs incurred by the Contractor in performing the work to the date of default, the amount of work which was satisfactorily completed to the date of default, the value of the work which is usable to the District, the cost to the District of employing another to complete the work required and the time required to do so, and other factors which affect the value to the District of the work performed at the time of default.

If the termination of this Contract is due to the failure of the Contractor to fulfill its Contract obligations, the District may take over the project and prosecute the work to completion. In such case, the Contractor shall be liable to the District for any additional cost occasioned to the District.

ARTICLE 17 COMPLIANCE WITH LAWS
