

**I recommend approving the 2017-18 Fee Schedule** (enclosed).

- i. The Federal Healthy, Hunger-Free Kids Act, PL 111-296 was enacted in 2010. The legislation authorizes funding and sets policy for The USDA National School Lunch Program. Additional federal funding helps to offset the cost of additional nutritional requirements. However, a minimum local share is also required. Public schools are required to calculate the weighted average meal price annually, and increase by \$0.10 per meal until reaching the federal requirement, which is currently \$2.86 per meal.
- ii. Substitute teacher pay was increased by \$10 to stay competitive with area schools.
