Dear Mr. Thompson and Members of the Sunray ISD Board of Trustees,

Thank you for the opportunity to work in the Sunray community and in the school.

It is a pleasure to recommend the following certified staff members for contract renewal: Julie Logsdon, Cindy Bradburn, and Maegan Hulett. Julie and Cindy are part-time diagnosticians serving the Northwest Texas Shared Service Arrangement. Maegan Hulett is a full-time speech-language pathologist who will be serving several of our member districts again next year.

I also recommend the hire of two new, certified staff members for the 2016-2017 school year: Kim Hodge and Misti Bryant. Both of these individuals will serve as full-time diagnosticians for NWTSSA.

In addition, I am pleased to recommend the continued employment for at-will employee for the following staff members: Rhonda Brewster and Charity DeBord.

I work with a staff dedicated to the improvement of education and of the lives of their students. I appreciate the opportunity to work with a professional, compassionate and efficient staff.

Sincerely,

Stephanie Hund
Special Education Director
