20-9-806. School closure by declaration of emergency. (1) (a) Except as provided in subsection (2), if a school is closed by reason of an unforeseen emergency that results in a declaration of emergency by the board of trustees, the trustees may later adopt a resolution that a reasonable effort has been made to reschedule the pupil-instruction time lost because of the unforeseen emergency. If the trustees adopt the resolution, the pupil-instruction time lost during the closure need not be rescheduled to meet the minimum requirement for aggregate hours that a school district must conduct during the school year in order to be entitled to full annual equalization apportionment.

(b) At least 3 school days or the equivalent aggregate hours must have been made up before the trustees can declare that a reasonable effort has been made.

(2) The board of trustees may close school for 1 school day each school year because of an unforeseen emergency and may not be required to reschedule the pupil-instruction time lost because of the unforeseen emergency.
