COOK COUNTY
HEALTH

Cook County
Public Health

Student Vaccination - District 90

- ▶ Second Age 5-11 Onsite Vaccination Clinic - Friday, December 10
- ▶ Approximately 165 students vaccinated in partnership with Jewel-Osco at Roosevelt Middle School
- ▶ Approximately 47% of RMS families have indicated that their 12+ students are fully vaccinated
- ▶ Numerous students identified as close contacts outside of school who are not required to quarantine because of vaccination status

District 90/Shield Testing Partnership

- ▶ Weekly testing in partnership with Shield (University of Illinois)
- ▶ Opt-in program
- ▶ New operations partner - Zebra Health (as of 12-6-21)
- ▶ Requires at least 100 participants to partner program
- ▶ Lab-based PCR test
- ▶ Very reliable (high sensitivity and specificity)
- ▶ Does not require confirmation
- ▶ Coordinated by the D90 Infection Control Officer

D90 School Safety Matters

- ▶ Renewed adherence to classroom social distancing, due to recent regional case surge and desire to minimize potential close contacts
- ▶ Ongoing commitment to mask-wearing and handwash protocols
- ▶ No confirmed cases of school-based transmission since December 2020, as of this time
- ▶ Outstanding overall cooperation with safety mitigation measures by students and staff, and highly-valued support from families
- ▶ D90 student activities reinstated in modified format

Primary goals remain:

- 1. Safety for all students, staff, and families*
- 2. Continued ability to provide high quality in-person instruction*

Travel-Related Matters

CCDPH Travel Guidance

Domestic Travel: post-travel and arrival in Suburban Cook County		
Vaccinated individuals	Un-vaccinated individuals	
<ul style="list-style-type: none">Self-monitor for symptoms for 14 days	<ul style="list-style-type: none">Test 3-5 days AND stay home, self-quarantine for a full 7 days<ul style="list-style-type: none">If test negative: stay home and self-quarantine for the full 7 days.No testing: quarantine for 10 days	
	For students: <ul style="list-style-type: none">Return to school the next day: BUT get tested 5-7 daysSelf-monitor for symptoms for full 14 days
