Re: Recommendation to Award the Bleacher Replacement at Franklin and Stevenson High Schools

I am recommending and seeking approval to award the Bleacher Replacement in the Competition Gyms at Franklin and Stevenson High Schools to Interkal, LLC at a total cost of \$340,984.00.

This project will be purchased through the T.I.P.S. bidding consortium and financed through the Sinking Fund.

The vendor information is as follows:

Interkal, LLC	Kalamazoo, Michigan	\$340,984.00
---------------	---------------------	--------------

Rationale: The current seating at both Franklin and Stevenson High Schools are original equipment from when the buildings were built and need to be updated.

Thank you for your consideration in this matter.
