

Dear School Board members,

Tonight, we would like to recognize a group of exceptional students from East High School, Denfeld High School, Ordean East Middle School and Lincoln Park Middle School who have distinguished themselves at the National History Day competition.

Their dedication, passion for history, and remarkable achievements deserve our utmost recognition.

We had over 35 students from our four secondary schools qualify and compete at the State History Day competition. Two of those students went on to compete at the national level.

Anna Keto qualified with her project called “Ms. Magazine: A Turning Point In Feminist Media.”

Margaret Johnson qualified for her website called “A Turning Point in Native American Spirituality: The American Indian Religious Freedom Act of 1978” and placed 2nd in the nation.

Furthermore, we extend our gratitude to Catherine Nachbar who was a finalist for National History Day Teacher of the Year for MN.

Her unwavering support and guidance have undoubtedly played a pivotal role in these students' success.

Their accomplishments stand as a testament to their intellectual curiosity, perseverance, and commitment to excellence.

Please join me in congratulating them on their outstanding achievements and thanking them for representing our district with such distinction.

Sincerely,

Anthony Bonds

Assistant Superintendent
