The Odessa High School Orchestra is requesting to travel to Chicago, Illinois, in June of 2020. The purpose of the trip is to perform for a baseball game (National Anthem performance at a White Sox baseball game), to attend a workshop with members of the Chicago Symphony, and to watch a professional show by the Blue Man Group. Along with all of these musical experiences, they will also get to participate in the interactive exhibits from the Museum of Science and Industry and the Shedd Aquarium, eat food from different cuisines, and see many art installations throughout the city.

The group will consist of approximately 40 students and 40 chaperones. Preliminary cost projections are \$1,600 per participant, and the students will be fundraising a portion of this money. Attached is a preliminary schedule for the trip and a preliminary list of fund raisers that will be provided to help fund this activity. The students will not miss any instructional days for this trip.

This trip will be both musically and culturally rewarding for the students in our program, and we thank you for your consideration of this proposal.
