## EMPLOYMENT AGREEMENT

I, \_\_\_\_\_, understand that as a condition of my

employment as an employee with the Rosebud-Lott ISD Transportation Department I must obtain a **Texas Commercial Drivers License** and successfully complete the requirements for bus driver certification. I understand I have 60 calendar days to complete these requirements and I must continually meet driver eligibility. If I do not complete the requirements that allow me to drive a bus for Rosebud-Lott ISD or if I fail to maintain driver eligibility, I will be terminated from employment with Rosebud-Lott I.S.D. Transportation Department. If it is determined that my driving skills, student management skills or related job skills or requirements are not acceptable I will be terminated from employment with Rosebud-Lott I.S.D. Transportation Department.

I acknowledge that there are certain costs associated with being qualified to drive a school bus in Texas and for Rosebud-Lott I.S.D. These costs include but are not limited to certification, commercial driver's license, annual physical, drug screening, and training or check ride cost. I understand that if I complete the year employed as a Rosebud-Lott I.S.D. bus driver, the District will absorb some of these costs. If I do not complete the school year or any subsequent year that the District pays for these related costs, I authorize Rosebud-Lott I.S.D. to withhold these costs from my final paycheck.
