RE: **FEE FOR REPRODUCING DOCUMENTS**

As per Board Policy 2-250, and in accordance with the Illinois Freedom of Information Act, 5 ILCS 140, the Freedom of Information Act Officer appointed by the public body must set the fee for reproducing black and white copies for requestors under the act. According to the law, the fee may not exceed \$.15 per black and white page, and may only be charged for copies after the first 50.

In accordance with the Board policy and in compliance with the law, I recommend the Board approve the fee of \$.15 per page for each page after the first 50 that is reproduced and made available to requestors in compliance with the Freedom of Information Act.
