Superintendent Goals 2016-17

### **Engage, Challenge, Inspire**

Through the lens of Equity, Growth Mindset, and Future Ready Skills

Goal #1 Engage students, staff, and community to provide an equitable learning environment to ensure all students are college and career ready

- Develop an equity plan for staff for 2017-18
- Support staff as they learn and implement Balanced literacy through allocation of resources and support
- Support the math curriculum review cycle with research and best practices to support all students

Goal #2 Challenge students and staff to exhibit a growth mindset and demonstrate healthy behaviors

- With health and wellness committee, implement active engagement strategies
- Coordinate a P-12 growth mindset curriculum
- Implement findings from middle school and high school wellness survey
- Lead a study of school-aged children's sleep habits and make recommendations to the board about the school starting and ending times.

Goal #3 Inspire creativity and innovation in teaching and learning

- Identify and create a program in conjunction with NSP-M-O to better utilize time
- Obtain funding to implement a summer program for at-risk learners
- In partnership with community groups, provide opportunities for staff to innovate and create unique learning opportunities for students
