Mid-year Student Progress

Board Goal:

II. Teaching & Learning ...In pursuit of excellence, the district will:

- Establish high expectations with a curriculum that fosters inquiry and critical thinking
- Advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates

Purpose of Report

The report will share student formative performance data from beginning of year (BOY 2021) and middle of the year (MOY 2022) in reading and mathematics. Additionally, the current iteration of the Data Dashboard will be featured. The dashboard is a tool, still in development, that will allow teachers and district staff to track, analyze, and display data. Many aspects of the dashboard will be featured in the workshop, however, there are many features still to come.
