

WELLNESS AND HEALTH SERVICES  
MEDICAL TREATMENT

FFAC  
(LOCAL)

<b>Student Illness</b>	Procedures shall be established by the administration to ensure that proper attention is given to any student who becomes ill during the course of a school day. <del>developed for the handling of student illness and accidents occurring during the hours in which the District has responsibility for the safety and well-being of students. These procedures shall be made known to all employees with responsibilities for student management.</del>
<b>Accidents Involving Students</b>	Emergency procedures shall be established by the administration to ensure proper attention for any student injured at school. Records shall be maintained on all accidents that require the attention of a medical doctor.
<b>Emergency Treatment Forms</b>	Each year, students and parents shall complete and sign a form that provides emergency information and authorizes school officials to obtain emergency medical treatment, as provided by law.
<b>Administering Medication</b>	No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as provided below.
<b>Exceptions</b>	Employees authorized by the Superintendent or designee may administer to students:
<b>Provided by Parent</b>	<ol style="list-style-type: none"><li>1. Prescription medication in accordance with legal requirements. [See FFAC(LEGAL)]</li><li>2. Non-prescription medication, upon a parent's written request, when properly labeled and in the original container.</li><li>3. Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program or Section 504 plan of a student with disabilities.</li></ol>
<b>Provided by District</b>	<ol style="list-style-type: none"><li>4. Non-prescription medication provided on an emergency basis by the District and consistent with:<ol style="list-style-type: none"><li>a. Protocols established by the District's medical adviser who must be licensed to practice medicine in the state of Texas; and</li><li>b. Parental consent given on the emergency treatment form.</li></ol></li></ol>

**Psychotropics**

**Except as permitted by Education code 38.016, an employee shall not:**

- 1. Recommend to a student or a parent that the student use a psychotropic drug;**
- 2. Suggest a particular diagnosis; or**
- 3. Exclude the student from a class or a school-related activity because of the parent's refusal to consent to psychiatric evaluation or examination or treatment of the student.**
