Re: Bleacher and Basketball Hoop Repair

Recommendation:

It is the recommendation of the Superintendent to employ JD Enterprises to repair the bleachers and components of the basketball hoops at Winfield Central Gym for a cost of \$7,895.

Background:

Annually we have the bleachers and basketball hoops in the gym inspected. As there are many moving parts operated by motors, these units wear overtime. The bleachers and hoops are actively used throughout the year. This year we need to replace 2 seats on the bleachers, one basketball backboard and hoop, and a multitude of safety straps and pivot bolts. It is the administration's recommendation that we not only replace the items that must be replaced, but replace the suggested pivot bolts and safety straps so that we are proactive for safety given how actively this equipment is used.
