Presenter:

**Scott Thielman,
Superintendent**

SUGGESTED SCHOOL BOARD ACTION:

Recommend approval

DESCRIPTION:

**Board Resolution Appointing an
Identified Official with Authority
for the External User Access Recertification System**

The Minnesota Department of Education (MDE) requires that school districts annually designate an Identified Official with Authority to comply with the MNIT Enterprise Identity and Access Management Standard which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The Identified Official with Authority will assign job duties and authorize external user's access to MDE secure systems for their local education agency (LEA). The Board recommends to authorize Scott Thielman to act as the Identified Official with Authority (IOWA) and Anita Underberg to act as the IOWA Add Remove Only, for the Buffalo-Hanover-Montrose Public School 0877-01.
