2:140 Communications To and From the Board

The Board of Education welcomes communications from staff members, parents/guardians, students, and community members. Individuals may submit questions or communications for the Board's consideration to the Superintendent or may use the electronic link to the Board's email address(es) that is posted on the District's website. The Superintendent or designee shall:

1. Ensure that the home page for the District's website contains an active electronic link to the email address(es) for the Board of Education, and
2. During the Board's regular meetings, report for the Board's consideration all questions or communications submitted through the active electronic link along with the status of the District's response. Provide the Board, such as in the Board meeting packet, with all emails that are received and any feedback regarding them. [PRESSPlus1](#)

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Superintendent's office. Board members will not take individual action that might compromise the Board or District. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

PRESSPlus Comments

PRESSPlus 1. Amended in response to Press Advisory Board feedback that having questions or communications go only to the superintendent OR through the electronic link to the Board's email address(es) can be problematic and may not entirely comply with the 2014 requirement.

Directive #2 is optional and adds a step to increase efficient responses to communications concerning the operation or management of the district or a school. Adding this text allows a board to (1) monitor its compliance with 50 ILCS 205/20, (2)

ensure that all board members stay informed of all questions and communications to the board, (3) align with IASB's *Foundational Principles of Effective Governance*, and (4) mirror a School Code requirement (105 ILCS 5/10-16) for the superintendent to report any FOIA requests during the board's regular meetings along with the status of the district's response.

Before adoption of this text, each board may want to have a conversation with the superintendent about the difference between "staff work questions or communications" that do not need to be submitted to the board and "questions or communications submitted for the school board's consideration" that do need to be submitted to the board. If the board does not wish to adopt Directive #2, strike the text and select "Adopted with Additional District Edits" as the Save Status.
