RE: 2025 TASB Delegate Assembly Student Scholarship Winner

Dear Dr. Caviness:

We are grateful that the Coppell ISD Board of Trustees sent a delegate to the 2025 TASB Delegate Assembly in Houston. Your board's participation played a vital role in finalizing TASB's updated Mission Statement and our reimagined Cornerstone Principles, as well as refining the advocacy agenda that will guide our organization in meeting the evolving needs of Texas public schools.

I am delighted to inform you that Coppell ISD was selected to receive a student scholarship sponsored by the TASB Risk Management Fund (The Fund). The Fund has provided comprehensive risk solutions that support efforts to maintain healthy and safe learning environment since 1974. Scholarship winners were selected from TASB Active Members which sent representation to the Assembly.

The \$1000 scholarship check has been sent to the attention of the Coppell ISD Superintendent. We leave it to your board to select the deserving student recipient from your district. The Fund would, however, love to present a check at an upcoming board meeting. If your district is interested in a check presentation, please reach out to MemberCommunications@tasb.org to coordinate adding this item to the board's agenda.

Sincerely,

A handwritten signature in black ink that reads "Dan Troxell".

Dan Troxell, PhD
Executive Director

cc: Mr. Doug Williams, Superintendent, Coppell ISD
Dr. Jo Ann Bludau, Chair, TASB Risk Management Fund Board
Ms. Mary Barrett, Associate Executive Director, TASB Risk Management Fund
