

HEYBURN ELEMENTARY ATTENDANCE INCENTIVES

2017-18

I am continuing with a similar plan as last year:

We will recognize students monthly with a pencil and a dog tag.

We will provide a pizza party for every student who has perfect attendance every trimester and give them a tablet through a drawing.

For students with perfect attendance all year, we will also give them an engraved personalized plaque and a special reward (to be determined).

Using the expenditures from last year and with the additional rewards, the estimated cost will be \$500.
