

MARINE CORPS RESERVE

January 29, 2012

Ron Lengwin  
Chairman of the Board of Directors  
Three Rivers School District  
PO Box 160  
Murphy, OR 97544

Dear Chairman Lengwin,

I want to thank the Three Rivers School District and especially Michael Morris, District Food Service Director, for support of the annual Toys For Tots campaign.

During the past few years, the assistance of Mr. Morris and his crew have been vital to the collection of toys for the annual toy giveaway. Each year the number of children receiving toys has risen but we have been able to meet these needs and reach our goal during the holiday season. This could not have happened had we not partnered with the District in such a positive manner.

Toy collections at 14 locations within the District were very high in 2011. As a result of this and the support of many businesses and civic groups we provided toys to 1403 children in Josephine County. Each child received an age and gender specific gift, a book, a puzzle, an arts & crafts project, a stuffed toy and a grab bag with at least 7 items for their age group. Each family received a nice board game to enjoy with each other.

I sincerely hope The Josephine County Toys For Tots program will continue to have the support of the Three Rivers School District in 2012 and for many years to come.

Very truly,

Tony Guillory  
Coordinator  
Josephine County Toys For Tots
