CISD Board Agenda Item Synopsis

Subject: The Learner Experience - Update

Background Information: As part of implementing *The Learner Experience*, principals collaborated to design campus-specific systems aimed at creating opportunities for students to explore and celebrate successes tied to our Five Core Principles: Community, Excellence, Innovation, Leadership, and Stewardship. Throughout the fall semester, campuses have worked diligently to implement these distinctive yet aligned systems, ensuring that every learner understands what it means to “Wear the ‘C.’” This presentation will showcase the alignment of these systems and highlight some of the early successes achieved across our campuses.

Goals:

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.
