To: Kevin Ricke <kricke@badger.k12.mn.us>

Grounds update:

AHU #2 for library and small classrooms around. A part of the heating core cracked last week, was able to cut out and close it off. Currently running just fine, no leaks!

I am looking into the price of a new heating core if we would like to replace it, running at about 90% efficiency

Tractor has arrived:

We received the schools tractor on 1/7/2022

We are still missing- Radio kit, rear wiper kit, 3pt quick hitch, 84" snow blade with wing kit, and pallet forks

Will keep you updated when it all comes in
