

Memo on SATP2 Tutoring

This report will focus on tutoring during the Fall 2011 school year and the results on the SATP2 retesters that were involved in the tutoring.

- We had approximately 9 tutors working with 175 students throughout the fall semester.
- 990 hours were spent tutoring at a cost of \$23,775.
- 31% of the tutored students passed the retest versus 10% of the untutored retesters.

Additional details will be presented including student comments on the tutoring.
