The School Board of Intermediate School District 917 has approved a long-term facility maintenance program budget for its facilities for the 2026-27 school year in the amount of \$421,100.00 of which our District #191's proportionate share is \$64,089.80. The various components of this program budget are attached as Exhibit A hereto and are incorporated herein by reference. Said budget is hereby approved. (Exhibit A.)

Minnesota Statutes, Section 123B.57, Subdivision 1, as amended, provides that if an intermediate school district's long-term facility maintenance budget is approved by the school boards of each of the intermediate school district's member school districts, each member district may include its proportionate share of the costs of the intermediate school district program in its long-term facility maintenance revenue application.
3. The proportionate share of the costs of the intermediate school district's long-term facility maintenance program for each member school district to be included in its application shall be determined by multiplying the total cost of the intermediate school district long-term facility maintenance program times a formula that weights two components equally between

the member districts; total net tax capacity and Adjusted pupil units. The long-term facility maintenance costs shall be funded through annual levy instead of issuing bonds. The inclusion of this proportionate share in the district's long-term facility maintenance revenue application for fiscal year 2027 is hereby approved, subject to approval by the Commissioner of Education.
