

Brownsville Independent School District

Agenda Category: General Function Board of Education Meeting: 5/7/2024

Item Title: Instructional Materials Allotment and TEKS Certification 2024-2025 X Action
Information
Discussion

BACKGROUND:

In accordance with TEC 31.04, school districts are required to certify annually to the State Board of Education and the commissioner that, for each content area in the required curriculum, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). The district has to provide the State Board of Education the title(s) for any district purchased curriculum, instructional materials, and/or supplemental materials that teachers in our district use to ensure coverage of 100% of the TEKS. The certification will confirm that we have followed all the rules and regulations pertinent to the TEKS requirements and State Instructional Material and Technology Allotment (IMTA) funds allotted to the district.

FISCAL IMPLICATIONS:

None to the district
