

**Recognition  
Board of Trustee Meeting  
Sept. 24, 2019**

**Board Spotlight**

Last spring during class at Gonzalez School for Young Children, Taryn Hope observed a physical change in the demeanor of one of her students, Gia Garza. The educator alerted the four-year-old's parents who quickly sought medical attention.

Today, Gia is a thriving kindergarten student at Evers Park Elementary School on the road to recovery and a full, active life.

For her attention to detail, support for the Garza family and love for her students – we are proud to honor Ms. Taryn Hope during this month's Spotlight.

*Members of the Garza Family, and faculty representatives from Gonzalez SYC and Evers Park Elementary School will be on hand to honor Ms. Hope.*
