The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

WORKDAY

A "workday" for purposes of earning, use, or recording shall mean the number of hours per day equivalent to the employee's usual assignment, whether full-time or part-time.

CATASTROPHIC
ILLNESS OR INJURY

A catastrophic illness is a severe condition or combination of conditions affecting the physical health of the employee or a member of the employee's immediate family that requires the services of a health care provider as defined by FMLA for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Complications resulting from pregnancy shall be treated the same as any other condition.

**ELIGIBLE
EMPLOYEES**

All District full-time employees are eligible for catastrophic leave.

AVAILABILITY

The District shall make paid leave for the current year available for use at the beginning of the school year.

The District shall not approve paid leave for more workdays than have been accumulated in prior years plus those to be earned during the current year. Any absences beyond available paid leave shall result in deductions from the employee's pay.

EARNING LEAVE

An employee shall not earn leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

When an employee has used more leave than he or she has earned, the District shall deduct the cost of unearned leave days from the employee's final paycheck for the year or from the last

Unless an employee requests a different order in writing, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Use of sick leave bank or catastrophic leave pool days shall be permitted only after all available state and local leave has been exhausted. Use of other types of leave shall be permitted in accordance with administrative regulations and as outlined in the employee handbook.

CONCURRENT USE OF
LEAVE

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

An employee may be terminated when he or she is:

1. Released by a doctor to return to work but fails to contact the District's department of human resources to pursue a work assignment;
2. Unable to report to work and fails to request or extend a leave of absence; or
3. Unable to report to work and has no earned paid leave available and, if eligible to apply for leave of absence, does not request a leave.

STATE PERSONAL

For purposes of this section, each employee shall earn state personal leave up to the statutory maximum of five workdays annually at the rate of one-half workday for each 18 workdays of employment.

The Board requires employees to differentiate the manner in which state personal leave is used:

A maximum of five percent of campus employees in each category may be permitted to be absent at the same time for discretionary personal leave.

SANCTIONS FOR
ABUSE

All employee leave is provided for the specific purpose stipulated in this policy. It is not intended to be used as a vacation, or for mere convenience. Except for discretionary state personal leave, documentation may be required for any absence at the discretion of the Superintendent or designee. Abuse of the employee leave program is a violation of District policy and may result in disciplinary action up to and including loss of pay, suspension, demotion, or termination of employment, in accordance with appropriate District policies. [See DCD and DF series]

EXPIRATION OF
AVAILABLE LEAVE

Upon the expiration of all leave for which an employee has applied and is eligible, if the employee has not already returned to work, the District shall notify the employee in writing that his or her leave has been exhausted.

The employee shall have ten calendar days to apply for any additional leave for which the employee may be eligible or to notify the District in writing that the employee is ready, willing, and able to return to work. A medical clearance showing that the employee is physically able to perform the essential functions of his or her position, with reasonable accommodations if necessary, is required to return to work. Additionally, some jobs require the employee to submit to a District-paid fitness-for-duty evaluation wherein the employee must demonstrate the ability to meet all the essential physical requirements of his or her job.

An at-will employee who does not receive approval of such additional leave and who does not report and document his or her availability and fitness to return to work within such ten-day period shall be deemed to have voluntarily resigned his or her employment with the District, effective immediately upon the expiration of the ten-day period designated in such notice, and shall be offered health benefits according to COBRA. [See CRD]

An at-will employee who fails to return to work after 180 calendar days of leave, regardless of the type of leave, shall be deemed to have voluntarily resigned his or her employment with the District, and shall be offered health benefits according to COBRA. [See CRD]

A contract employee's failure to receive approval of such additional leave and his or her subsequent failure to report and document his or her availability and fitness to return to work, within such ten-day period, shall be considered good cause for termination. A contract employee's failure to return to work after 180 calendar days of leave, regardless of the type of leave, shall be considered good cause for termination. For termination procedures and rights of contract employees, see DF series and DCE.
