Edina High SchoolElectrical SystemsReplace the basket controls in the field houseEdina High SchoolInteriorRepair wall, repaint and install a wide chair rail on damaged gyp boa	d walls in	17,815
Edina High School Mechanical Systems Replace classroom drinking fountain in Orchestra 397, Band 395 and Vo		17,815
Edina High School Interior Remove the scoreboard & hoops in the field house		14,846
Edina High School Mechanical Systems Provide door air curtains at garage door in Maker Lab 219		14,252
Edina High School Site Parking lot A crack seal 2021 and every 2 years after		12,399
Edina High School Interior Remove the old hoops in the gymnastics gym		11,877
Edina High School Electrical Systems Renovate custodial toilet room at VVMS - new LED lighting and control		11,877
Edina High School Electrical Systems Remove remaining large circular hanging light fixtures and replace the	m (rooms S286C,	11,877
Edina High School Electrical Systems Replace the electrical outlets in the wrestling room Edina High School Machanical Systems Replace floor drains covers serving eve wash/shower to have integrated	funnel in	10,689
Edina High SchoolMechanical SystemsReplace floor drains covers serving eye wash/shower to have integratedEdina High SchoolElectrical SystemsProvide more power drops in Maker Lab 219	TUNIET TH	9,501 9,501
Edina High School Mechanical Systems Replace drinking fountain in corridor south of Gym 225 to fully reces	ed WC with bottle	9, 501 7, 720
Edina High School Mechanical Systems Provide exhaust in Concession 101		7,126
Edina High School Interior Provide sloped panel top at men's locker room south lockers - assumes	50LF	5,938
Edina High School Mechanical Systems Modify cabinet unit heater at door #3		5,938
Edina High School Mechanical Systems Insulate piping in exterior soffit of classroom E130		5,938
Edina High School Mechanical Systems Remove unused sink, faucet, and cap pipes at mains in servery E240		5,938
Edina High School Mechanical Systems Replace bi-level drinking fountain at EPAC gang restroom		5,938
Edina High School Electrical Systems Renovate M and W gang toilets Upper Level adjacent to Fick - new ligh	-	5,938
Edina High School Mechanical Systems Remove the drinking fountain in the wrestling room and cap branch line	at main. Provide	4,988
Edina High SchoolMechanical SystemsReplace sink mounted eyewash station in PLTW room on main levelEdina High SchoolSiteBus lot crack seal in 2021 and every 2 years after		4,276
		3,848 3,563
Edina High SchoolMechanical SystemsRelocate hose bib at door 15 (freezes frequently)Edina High SchoolMechanical SystemsCap gas pipes in valve box located in Physics Room 236		3,563
Edina High School Mechanical Systems Repair/replace (3) clay traps in art room Art 378		3,563
Edina High School Electrical Systems Reconfigure light switch controls to be out of wall enclosure in lowe	· level Aux gym	3,563
Edina High School Interior Raise the hight of the honeycomb tile pattern on the south wall of the		3,415
Edina High School Mechanical Systems Investigate if dryer vent located in washer/dryer room on east of EPA		2,969
Edina High School Mechanical Systems Investigate FTR noise in phone room in Classroom 360		2,969
Edina High School Mechanical Systems Investigate existing baffles restricting airflow in ductwork serving	ick Auditorium	2,969
Edina High School Electrical Systems Provide cages for strobe lights in Aux gym and main gym		2,375

School/Site	Project Type	Project Description	Budget
Edina High School	Site	Parking lot D crack seal 2021 and every 2 years after	2,280
Edina High School	Electrical Systems	Remove old, unused fire alarm system in lower level elec room on the south side	1,188
Edina High School	Electrical Systems	Remove abandonded electrical comm box in servery	1,188
Transportation	Site	Crack seal in 2021 and every 2 years after	17,103
Valley View	Site	Repair sidewalk and improve drainage near door #26 - fix catch basin	89,076
Valley View	Site	Replace rocks with grass at exterior door 28	19,003
Valley View	Site	SW parking lot, drop off, VV road, drop off and stormwater crack seal every 2 years	10,689
Valley View	Mechanical Systems	Add heat to the electrical room - gets very cold in the winter. High priority.	8,908
Valley View	Site	Parking lot C crack seal every 2 years after	5,416
District-Wide	Micellaneous	Miscellaneous allowance items to be defined	442,048
District-Wide	Micellaneous Roofing	Roofing allowance items to be defined	318,769
District-Wide	Staffing	Allowance for district staff time	178,153
			\$ 13,000,000

## 2026 LTFM PROJECT LISTING

School/Site	Project Type	Project Description	Budget
Creek Valley	Interior	Carpet replacement allowance phase 1	78,672
Creek Valley	Interior	Painting allowance for interior classroom walls - phase 1	24,585
Creek Valley	Site	North parking lot, drop off, main entry drive crack seal every 2 years	8,851
Creek Valley	Site	South parking lot, loading dock, and turnaroud crack seal every 2 years	2,065
Creek Valley	Site Interior	Hard play crack seal 2023 and every 2 years	1,991
Creek Valley Creek Valley	Site	Paint walls in stairway leading to the penthouse East parking lot crack seal every 2 years	1,844 1,844
District-Wide	Micellaneous	Miscellaneous allowance items to be defined	119,422
District-Wide	Staffing	Allowance for district staff time	112,007
District-Wide	Micellaneous Roofing	Roofing allowance items to be defined	72,926
Edina High School	Mechanical Systems	Mechanical Upgrades Project - Served by AHU-HS9, On UL - replace hydronic piping, ex VAV's	1,266,788
Edina High School	Interior	Repurpose concessions/health room area Upper Level near gymnasium - Approx 5,000 SF	1,085,432
Edina High School	Exterior	Replace roof area C (24,000 SF) as recommended by the Inspec report	1,069,000
Edina High School	Mechanical Systems	Mechanical Upgrades Project - Replace AHU-HS13 and CV distribution - Main Gym 14,000 SF	722,802
Edina High School	Mechanical Systems	Mechanical Upgrades Project - Replace AHU-HS7 16,600 SF	663,798
Edina High School	Construction Management	Kraus Anderson construction management services	491,702
Edina High School	Interior	Fick Auditorium - Replace the auditorium stage rigging system - Auerbach 6-6-2023	479,410
Edina High School	Mechanical Systems	Mechanical Upgrades Project - Replace AHU-HS15 9,400 SF	472,034
Edina High School	Interior	Replace ceilings - Upper Level 45,000 SF @ \$6.6/SF	437,615
Edina High School	Interior	Fick Auditorium - Replace operable classroom partitions	437,615
Edina High School	Interior	Ceiling tile replacement allowance - extent to be determined	430,239
Edina High School	Interior	Renovate M and W gang toilet rom Upper Level north end near gymnasium - block partitions	414,874
Edina High School	Electrical Systems	Fick Auditorium - repalace theatical lighting with new LED lighting Auerbach 6-6-2023	405,654
Edina High School	Electrical Systems	Fick Auditorium - replace auditorium A/V system	393,362
Edina High School	Interior	Replace stair tower windows/doors misc east elevation windows to include classrooms	384,142
Edina High School	Electrical Systems	New LED fixtures and controls - Upper Level 67,000 SF @ \$4.5/SF	376,152
Edina High School	Electrical Systems	Fick Auditorium - repalace theatical lighting control - Auerbach 6-6-2023	368,777
Edina High School	Interior	Replace the field house floor (12,000 SF)	258,144
Edina High School	Mechanical Systems	Mechanical Upgrades Project - Replace RTU-HS2 5,000 SF	258,144
Edina High School	Interior	Carpet replacement allowance phase 2 (Main and upper level)	233,559
Edina High School	Interior	Fick Auditorium - Renovate M and W toilets Upper Level Fick green room - upgrade for ADA,	221,266
Edina High School	Interior	Fick Auditorium - Replace theatrical draperies - Auerbach 6-6-2023	184,388
Edina High School	Interior	Elevator #3, full replacement, rotate elevator to open into cafeteria, 4' door opening,	184,388
Edina High School	Mechanical Systems	Renovate M and W gang toilet rom Upper Level north end near gymnasium - block partitions	184,388
Edina High School	Interior	Fick Auditorium - Reconstruct wood stairs at procinium, conceal cabling	153,657
Edina High School	Interior	Replace conf room carpet floor with hard surface and provide durable wall finish ( 12 Fick Auditorium - replace house lights with new LED fixtures and controls	147,511
Edina High School	Electrical Systems	Reconfigure entry at door #3 - provide a new vestibule, security check in kiosk, and	147,511 125,999
Edina High School	Interior	Blackbox - Replace theatrical draperies	125,384
Edina High School Edina High School	Interior Interior	Blackbox - Replace theatrical lighting control	124,872
Edina High School	Interior	Blackbox - Replace theatrical lighting fixtures	124,872
Edina High School	Interior	Blackbox - Replace theatrical A/V Systems	124,872
Edina High School	Interior	Fick Auditorium - Replace carpeting	122,926
Edina High School	Interior	Replace classroom door hardware with security hardware (100 doors)	110,633
Edina High School	Interior	Provide new restroom and shower room in Mechanical Room 101B - Investigate options	104,487
Edina High School	Interior	Replace interior doors - an allowance provided for 50 doors	81,131
Edina High School	Mechanical Systems	Provide new restroom and shower room in Mechanical Room 101B - Investigate options	55,316
Edina High School	Interior	Allowance for locker replacement (\$35,000 per year)	43,024
Edina High School	Interior	Provide new scrubber 'shed' in central mechanical room adjacent to room E230 - review use	38,414
Edina High School	Mechanical Systems	Fick Auditorium - renovate M and W toilets Upper Level Fick green room - upgrade for ADA,	36,878
Edina High School	Electrical Systems	Replace sound system for Main Gym N205	36,878
Edina High School	Interior	Recoat new gym wood floors	24,585
Edina High School	Interior	Recoat new gym wood floors	24,585
Edina High School	Electrical Systems	Improve sound system control panel at gym N205	24,585
Edina High School	Interior	Replace music suite doors \$350, \$354, and \$356 (7 doors), provide keyed removable mullions	22,741
Edina High School	Interior		20,283
Edina High School	Interior	Elevator #2, Install elevator door lock monitoring overlay per 7-14-23 Metro Elevator	20,283
Edina High School	Interior	Provide a durable wall solution on the south wall of fitness room N300	15,366
Edina High School	Mechanical Systems	Provide emergency eyewash / shower in chiller room	14,751
Edina High School	Electrical Systems	Renovate M and W gang toilet rom Upper Level north end near gymnasium - new lighting and	12,293
Edina High School	Interior	Provide epoxy paint on damaged accent block walls in classrooms - approx 8 rooms	11,063
Edina High School	Interior	Provide durable wall solution in conference rooms B and C	9,604
Edina High School	Interior	Provide tile wainscot to the circulation wall on the upper level above the main entry -	8,835
Edina High School	Interior	Provide a durable wall solution to the circulation space outside rooms N306 and N307	8,758
Edina High School	Electrical Systems	Fick Auditorium - renovate M and W toilets Upper Level Fick green room - new lighitng and	6,146
Edina High School	Interior	Provide tile wainscot in nurse's suite entry	5,378
Edina High School	Interior	Widen opening for dry storage room and provide a new door/frame	4,302
Edina High School	Mechanical Systems	Bids excluding Fick awarded at construction total = \$8,265,709. Total Project Budget	(791,640)
Edina High School	Mechanical Systems	Bids excluding Fick awarded at construction total = \$8,265,709. Total Project Budget	(791,641)
Edina High School	Mechanical Systems	Bids excluding Fick awarded at construction total = \$8,265,709. Total Project Budget	(1,583,281)
Highlands	Site	South parking lot crack seal every 2 years	2,213
Highlands	Site	North parking lot crack seal every 2 years	1,475
	Electrical Systems	Replace the auditorium stage lighting with new LED lighting and controls	540,872
	Electrical Systems	Replace all remaining flourescent lights with LEDs and dimmer controls zone 3	507,682
Valley View Valley View		Pomovo romojning golvonizod plumbing nining	400 000
Valley View Valley View	Mechanical Systems	Remove remaining galvanized plumbing piping	430,239
Valley View		Remove remaining galvanized plumbing piping Replace all remaining flourescent lights with LEDs and dimmer controls zone 4 Replace all remaining flourescent lights with LEDs and dimmer controls zone 1	430,239 181,930 89,736

School/Site	Project Type	Project Description	Budget
Valley View	Electrical Systems	Provide additional classroom outlets	49,170
Valley View	Electrical Systems	Replace outside electrical outlets (refer to Corey's map)	2,459
Valley View	Electrical Systems	Install interior electrical receptacle by door 23	1,229
			\$ 12,500,000
