

Golf

The Brackett Golf team has started the season strong with a total of 12 athletes, including 4 girls and 8 boys. On the girls' team, three golfers are returning from last season, while one athlete is new to the program. The boys' team includes three returning golfers and five new members. Both the boys and girls teams competed in their first tournament of the season on March 2nd and 3rd, where they performed well and gained valuable experience on the course. The first tournament provided a great opportunity for both returning players and new golfers to build confidence and work on their skills in competition. The team will travel to Bandera for their next tournaments on March 9th (boys) and March 11th (girls). The golfers and I are excited about the season and we are looking forward to improving, competing, and representing Brackett with pride.
