

Board Action Required

No Action Required

The following item needs to be on the July 25th Board Meeting agenda as an action item for the Board of Trustees:

Vote to approve Superintendent, Dr. Jeff Turner, as Purchasing Agent for Coppel Independent School District, Authorized Representative for all Federal programs including E-Rate and Child Nutrition, and Designated Custodian for the general fund, building fund, child nutrition fund, bond fund, activity fund, all federal programs including E-Rate, all state programs, and all other school programs and activities not listed for the 2011-12 school year.

This is an annual requirement by the District as a part of the e-Rate process in order to ultimately receive discounts on our monthly AT&T and Verizon telecommunications invoices for phone service across the District. If there are any questions, please contact Chad Branum.
