

Descriptor Term: NON-RESIDENT TUITION CHARGES	Descriptor: JBCC-E1 Formerly JFABA-E1	Issued: 3/19/2019
---	--	-----------------------------

The basic tuition charge for a non-resident student in grades K-8 and 9-12 is as listed and are due and payable in accordance with the following terms:

	Annually	Bi-Annually (per semester)
Grades K-12	\$1,000	\$600

1. The yearly payment plan requires that the annual tuition be paid in full prior to enrollment in school. The semester payment plan requires that payment be made in full prior to enrollment at the beginning of the semester. New tuition students will be charged \$1,000 annually or \$600 bi-annually.
 - a. Students who have completed the 2018-19 school year with TPSD will be grandfathered in at the annual tuition rate of \$600 (\$300 per semester).
 - b. Students who withdraw from TPSD and subsequently re-enroll after the 2018-19 school year will be charged the \$1,000 annual tuition (\$600 per semester).
2. Should the District begin to receive funding from the State of Mississippi for a non-resident student, his/her tuition will be discounted to \$600 per year (\$300 per semester).

* Note: Such funding from the State typically occurs before October 1 of each year.
3. Payment of tuition charges for educational expenses that place an added economic burden on the local funding budget shall be paid concurrent with the ~~basic~~ tuition charge. Should a non-resident student require related educational services, all expenses of such services will be assessed as part of his/her tuition. In the event that related services and expenses become known after payment of the basic tuition charge, such expenses shall be paid within 15 days of notice of such expenses given to the parents or legal guardians of the non-resident student.

Effective: 2019-20 School Year
