

Parent/Guardians and HHS Students,

As the 2020-2021 school year approaches we wanted to reach out and give the most recent updates possible for HHS. We realize that there may be questions swirling during these uncertain times and we want to try and answer as much as we can. A big portion of our recent planning has been the preparation for the different scenarios that we may encounter in regards to the delivery of instruction. In order to ensure that we are able to provide both face to face as well as online instruction, it has taken some adjusting, manipulating, as well as some sacrifices in order to be ready for each possibility. Our teachers are actively preparing for the various formats of instruction and we are encouraged by their positive attitudes. The reality is that we may not always have the answers to all the questions as things continue to change on a daily basis. However, we will continue to do everything in our power to provide the resources and materials your child needs to be successful here at HHS!

We will be holding our registration this year in the HS cafeteria on the following dates. We are asking everyone to please park in the main gym parking lot and enter through the main gym doors. You will be directed from there to the cafeteria where you will be able to log into a chrome book and pick your classes. Staff will be there to assist you and your student during these times. Once you have your schedule you will be able to go down the hall to the main office to pay any fees and to update any personal information as well.

*August 10th Registration **Seniors** 10 am-12, **Juniors** 1-3pm

*August 11th Registration **Sophomores** 10 am-12, **Freshman** 1-3pm

*August 12th Registration **New Students** Grades 9-12 10 am -12

As we continue to do our best to maintain social distancing and follow CDC guidelines we ask that you help with this during the registration process. Masks will also be made available upon your arrival.

*If you are unable to attend registration in person please contact administration and make them aware. Please email mholtry@homedaleschools.org or dflaming@homedaleschools.org or call the school @ 208-337-4613.

*“Everything we do is in the best interest of our students -
we inspire them to dream toward a better future, and we
equip them with the skills necessary to achieve those dreams.”*
