Mississippi Department of Education
GED Option Program Test Report

This document should be submitted by June 15 or after the last test results for the school year (August – May) have been received, whichever comes first. The lead school district in a consortium should submit one test report that includes all districts. Test results for students who test during the summer months may be included on the test report for the next school year and should be included on the student roster for the next school year. However, if the district wants those students counted for the school year just completed, see Summer Test Results below.
