The annual spring Blood Drive, sponsored by the senior class, was held March 6th. Mrs. Berns, Mrs. Brown and Mrs. Pauley wish to thank all the students, faculty and staff who gave blood or that helped with the blood drive. Thanks to these everyday heroes, we collected 86 units of blood! 20% of all blood donations come from high school and college students. The need for blood is constant and this makes it possible for patients to receive it.

The PHS Student Council and Good Deeds Group are sponsoring an item drive for troops currently serving in the armed forces. They asked each homeroom to pack one box with at least 8-10 items. They also asked that everyone in the homeroom sign the attached thank you card to include in the box. Some homerooms selected a PHS grad to adopt, while others will get an anonymous person. Each box costs approximately \$20 to ship, which the student council will pay. This is just a small way to show our appreciation to the troops serving overseas.
