CISD Board Agenda Item Synopsis

Subject: Consider Approval of the 22-23 Professional Development Calendar

Background Information:

In the regularly scheduled July 2022 school board meeting, the Board approved policy DMA(LOCAL) as per SB 1267 (Regular Session) which requires the board to annually review the State Board for Educator Certification (SBEC) clearinghouse regarding best practices and industry recommendations for professional development and adopt a professional development policy based on the training recommendations in the clearinghouse. To meet the policy requirements, the recommended local policy text reflects that the board shall annually approve the district's professional development plan, which must be guided by the clearinghouse; note any differences from the clearinghouse recommendations; and include a schedule of required professional development.
