Hell my name is naython many hides I have been a member of the napi football coaching staff for the past few years as my full time job from 8-430 has caused me to focus more on my job then my coaching position and haven't been able to participate in any practices or games due to that circumstance I feel as if I need to step away from coaching napi football with all due respect and wish nothing but the best to the coaching staff and the napi football participants current and future.. go Eagles
