

Parkrose School District: Positive Behavioral Interventions & Supports

PBIS is...

a broad-range of systematic and individualized strategies for achieving important social and learning outcomes while preventing problem behavior with all students. PBIS assists schools in moving toward school-wide behavior systems that address the entire school--all students in all venues. These systems define and teach school rules and expectations and provide meaningful acknowledgements and corrections.

Parkrose PBIS Mission Statement

To purposefully empower student success by establishing and maintaining effective school environments that maximize the academic, social, and behavioral competence of all learners with life-long positive results.

Parkrose PBIS Goals are to

- provide a consistent and positive structure for improving student behavior
- be culturally and linguistically responsive in order to eliminate disparities in disciplinary outcomes
- make data and research-based decisions that have meaningful and positive outcomes for all
- improve school and classroom climate
- enhance the continuum of behavior support for all students
- reduce unnecessary office discipline referrals, suspensions, and expulsions
