

Action Sheet

MEETING DATE: February 21, 2024

AGENDA ITEM: Discuss and consider approval of SB 763 resolution regarding school chaplains.

The GISD Board of Trustees Policy Committee met on Tuesday, February 6, 2024 to hear additional public comment and discuss the details of SB 763. After deliberation, the Policy Committee is unanimously recommending a rejection of this resolution. Galveston ISD has a strong history of collaboration with many faith-based organizations across the island in support of our students and their families. These organizations and their leaders may continue to volunteer under existing GISD policies.

RECOMMENDATION: I move the Board of Trustees reject the resolution regarding GKG (Legal) and DP (Local) policy on school chaplains per TEC §23.001.
