Needs Summary for State Testing in May, 2012

Ms. Lea Johnson

Ms. Lea Johnson has provided for your information and review a needs summary of the state testing that will occur in May, 2012. This summary will include such information as number of students affected by testing, number of adults needed for testing, etc.

In the interest of time, Ms. Johnson will not provide an oral report, however, her written report is included in one of your "Supplemental Folders" on BoardBook.
