This will enable the Police Department and the School District to form valuable partnerships and promote ongoing continued relationships that will benefit the community and improve community perceptions of law enforcement.
- q) Understand that absent a real and immediate threat to an individual or to public safety, student conduct that occurs on school property or during a District sanctioned event that involves a Class C misdemeanor, an infraction or a status offense and is a first or second time offense for the student will be referred to administration to be handled at the school level.

- a. This provision applies to students who have committed an offense on school property where the student is enrolled.
- r) Be present at School every day school is in session, during regular school hours (7:30 - 3:30, or otherwise determined by the school administrator), except when sick, on vacation, or attending training.

2.05 **Procedures** specific to duties and responsibilities of SROs.

- a) When an SRO becomes aware of criminal activity by a student that is occurring, has occurred, or the SRO has cause to believe is likely to occur on the school property, the SRO should confer with the appropriate school administrators as further provided herein:
 - i. If the criminal activity is a felony level offense, the SRO will investigate and, if appropriate, refer any resulting felony level offenses to the appropriate court of jurisdiction and make reasonable attempts to notify the principal and/or any designated school administrator within 24 hours of the referral.
 - ii. If a minor is alleged to have committed an offense on school property that is a class B misdemeanor or a class A misdemeanor, the SRO may refer the minor directly to a court or the administrator may refer the minor to evidence-based alternative interventions. Administrators and SROs are strongly encouraged to work together when making a determination regarding referring an offense under this paragraph. In the event the SRO and administrator do not agree regarding the appropriate referral, the referral will be made at the SRO's discretion.
 - iii. If a minor is alleged to have committed an offense that is a class C misdemeanor, an infraction, or a status offense (as the term is defined in Utah Code § 53G-8-211 or its successor provision), an administrator, administrator's designee or an SRO may only refer a student to a law enforcement officer, agency, or court if:
 - 1) the minor has engaged in the same offense on school property on two previous occasions and
 - 2) the minor has referred to an evidence-based alternative intervention, or to prevention or early intervention youth services for both of the two previous offenses prior to the SRO referring the offense to juvenile court.
- b) The Parties may develop additional protocols on specific offenses or common

scenarios that they frequently encounter to address the handling of those matters more efficiently.

- c) In cases where an arrest or issuing of a citation is necessary, the SRO will consult with school administration to take any necessary action in a manner that is the least disruptive to the educational environment, and the following procedures will be followed:
 - i. The administrator should make arrangements to have the student brought to the office for the arrest to take place, except in circumstances where the student is a danger to himself or others, or may flee to avoid arrest, in which case the SRO may arrest the student in a manner that is minimally disruptive to the school environment.
 - ii. After the SRO has completed the arrest, the administrator will notify the parents of the arrest and provide the parents with the name of the arresting agency, officer or contact person, and the location the student is being taken. This information should be provided by the arresting agency.
- d) SROs may conduct investigatory stops or detentions of students on school property or at school-sponsored events only when the officer has reasonable suspicion to believe that the student has been, is, or is about to be engaged in the commission of a crime. Absent exigent circumstances, such stops and detentions should be limited.
- e) Stops and detentions of students on school property or at school-sponsored events will be governed by applicable state and federal law and Police Department Policy.
- f) If an SRO wants to interview/question a student at school during school hours regarding an offense that occurred on school property or at a school-related event, the SRO may, in collaboration with the principal, conduct the interviews with the students involved at school.
- g) Interviews by an SRO or an outside law enforcement officer for alleged offenses that occur off school-grounds or not related to a school event may not be conducted at school unless
 - i. exigent circumstances exist; or

- h) Absent exigent circumstances, interviews of students by SROs and other law enforcement personnel about matters unrelated to school should generally be conducted away from school after school hours.
- i) Except when an emergency or exigent circumstance exists, the SRO and school administrator should work together to determine when such questioning should take place in order to ensure the least amount of disruption to the learning and the educational environment.
- j) If a student has engaged in an offense that requires a search by the SRO, whenever reasonably possible, the SRO should conduct the search with the administrator present.
- k) If there is a disagreement between the school administrator and the SRO regarding access to students or access to records, the following procedure shall be followed:

- i. The principal shall contact the District Community Relations and Safety Specialist (CRSS) to mediate the disagreement between the school administrator and the SRO by separately hearing the position of the school administrator and the SRO.
- ii. If after the CRSS cannot resolve the disagreement through mediation, the CRSS will contact the SRO's direct supervisor in an effort to resolve the disagreement.
- iii. If the disagreement is not resolved after contacting the SRO's direct supervisor, the District's legal counsel and the County Attorney's Office will meet to resolve the disagreement.
- l) The SRO will notify their immediate supervisor, and the school principal or the principal's designee when absent from work due to illness, training, vacation, or an agency emergency.
- m) The SRO will notify their immediate supervisor and the CRSS of any event that could cause media representatives to inquire about a newsworthy incident.
- n) The SRO will maintain communications with supervisors, school administration, and school safety personnel, and be responsive to messages and requests from School District personnel.
- o) The SRO will maintain a daily activity log of arrests, detentions, interviews and custodial interrogations with students.

B. Roles and Responsibilities of Agency

- 2.07** Agency will furnish officers to work as SROs in the District's Junior High Schools, High Schools, and other Schools located in Agency as determined from time to time by the parties to this Agreement. The Agency agrees to jointly discuss SRO applicants prior to an officer being assigned to a school (53G-8-703).
- 2.08** It is clearly understood, acknowledged, and agreed upon by the Parties that SROs supporting the District are Agency employees recruited and employed by the Agency.
- 2.08** The Agency will furnish all necessary labor, supervision, equipment, communications facilities, uniforms, badges, firearms and other items of equipment reasonably necessary to provide the services described herein. School supplies and equipment will be supplied by the District.
- 2.08** The Agency will designate an officer or appropriate supervisor as the liaison to the District for the purpose of coordinating activities with the Agency Police Department

attending any District meetings as reasonably requested, and overseeing the delivery of police services under this Agreement.

- 2.09** The Agency, in its sole discretion, has power and authority to hire, reassign, discharge, and discipline the SROs it employs. However, the placement of SROs will be determined by mutual agreement between the Agency Police Department and the District, and a school administrator who is dissatisfied with an SRO may request a different officer as the SRO for that school. The Agency shall make every reasonable effort to assign a new SRO after a discussion of the concerns and an effort to remediate the concerns, but the Agency has the final authority regarding SRO assignments.
- 2.10** Agency will make its best efforts to provide SROs to the schools for eight hours per day during days when the students are at school. Agency will strive to have department-related training take place when school is not in session, understanding that some required training for SROs may need to occur during the school year. In the event an assigned SRO needs to be absent from their assigned school for five or more consecutive school days, and no substitute is provided by the Agency to fully or partially fulfill the SRO's duties, the District shall be credited the proportional daily amount of that year's annual fee for any days the SRO is absent and a substitute is not provided. The credit shall be applied as an offset to the Agency's invoice. The daily amount of the year's annual fee shall be calculated by dividing the school year's annual reimbursement rate by the number of days students are in school during the school year.
- 2.11** When an SRO is required to attend special events, emergencies, or other circumstances for the Agency that are beyond the control of the Agency, the Agency is not required to provide another officer for the duration of the event, emergency or other circumstance.
- 2.12** The SRO supervisor will maintain regular communication with the school and District administrators throughout the year to evaluate the performance of services provided by the SRO. At least annually, each law enforcement agency will seek out and accept feedback from the District related to the performance of the SRO assigned to the District (Utah Code Ann. §53G-8-703).
- 2.13** The Weber County Sheriff's Office will identify an individual within their department to coordinate school security responsibilities between the State Security Chief, the sheriff's office and police chiefs with a public school in their jurisdiction (Utah Code Ann. §53-22-103)

C. Roles and Responsibilities of School Administrator and the School District

- 2.14** The school administrator will perform the following duties:
- a) De-escalate school-based incidents whenever possible
 - b) Differentiate between disciplinary issues and potential criminal matters, and respond appropriately. Handle routine administrative and school discipline

(code of conduct) issues within the school without involving the SRO in an enforcement capacity (issuing citation) unless the administrator determines SRO involvement is necessary to address a serious and immediate threat to the physical safety of the School District Community.

- c) Notify SRO if a student the SRO is responding to or with whom the SRO frequently interacts has a physical or mental disability and/or has an Individualized Education Program (“IEP”) and/or may require special consideration, treatment or accommodation.
- d) Request SRO assistance in cases of criminal conduct on school campus of persons other than students enrolled at that school.
- e) Assist with SRO-initiated investigations and actions as needed.
- f) Document in PowerSchool any tickets, citations, or arrests that SROs have reported. When appropriate, discuss with the SRO whether the underlying actions have any school-based ramifications.
- g) Attend all required SRO/Administrator trainings.
- h) Arrange meetings with the SROs on a regular basis to discuss students at risk and interventions and supports for those students.
- i) Invite SROs to school-site trainings about school code of conduct, discipline, de-escalation, and restorative practices.
- j) Participate in any agreed upon data collection process to provide ongoing feedback to District, City, and Police Department designees, for the purpose of improving practice and evaluating the effectiveness of District/SRO partnership.
- k) Participate in and/or create authentic opportunities for the SRO and school administration to meet with parents, guardians, and community members throughout the school year.
- l) Provide a workspace and a place for each SRO to store materials and personal effects at their location of assignment.
- m) Provide students with classroom equipment and supplies for classes taught by SROs
- n) Inform the SRO of administrative outcomes when an offense is referred to the school.

2.15 The School District will:

- a) Provide the Police Department a list of School District points of contact to facilitate SRO partnership communication, indicate main point of contact and provide an updated list to all parties when changes to that list occur.
- b) Provide training for all administrators and SROs at the beginning of the school year, as well as regular required trainings and meetings throughout the year.
- c) Work in conjunction with the SRO Supervisor to place each SRO in the school for which they are best suited. In consultation with the Agency, the School District reserves the right to request the removal/reassignment of any SRO for any reasonable cause, after other attempts to correct the problem have been explored. The Agency shall consider the School District’s input when determining the removal or reassignment of any SRO, but the Agency shall

- have the final decision concerning the removal or reassignment of any SRO.
- d) In the unlikely event that a situation arises wherein the School District believes that the presence of a particular SRO constitutes a direct and immediate threat to the safety and well-being of the School District Community, the School District may direct the SRO to leave the premises and not return until the District has resolved the issue with either the Agency or the particular SRO.
 - e) Reimburse the Agency at the rate of time and a half of the assigned officer for all extra duty assignments such as extracurricular activities for which the School requires the services of an SRO or additional officers.
 - f) Develop a district policy governing SROs and seek public input on the policy prior to it being implemented (Utah Code Ann. §53G-8-703.2)

SECTION THREE ACCESS TO EDUCATION RECORDS

- 3.01** SRO access to student educational records, including video, is governed by the Family Educational Rights and Privacy Act (“FERPA”), 20 U.S.C. §1232g et seq., 34 CFR Part 99, and Student Privacy and Data Protection Act (“SPDPA”), Utah Code §53E-9-101 et seq.
- 3.02** SROs will be given access to the District’s security camera system to include live view of all school-based cameras. SROs will be permitted to access the camera system for reasons related to school safety and for conducting investigations into criminal matters. SROs can only make copies of video footage for official law enforcement purposes. These video records shall become part of the police report and will be subject to release under GRAMA according the Agency’s records policy.
- 3.03** School administrators shall allow SROs to inspect and copy any public records, including directory information, maintained by the schools to the extent allowed by law.
- 3.04** The School District will designate SROs as school officials in accordance with FERPA and SPDPA in order to ensure that SROs have lawful access to:
 - a) video footage stored by the school administrator and/or a quick look-up screen on the School electronic student database; and
 - b) the quick look-up screens include student schedules, student grades, absences, and attendance records in PowerSchool, and when necessary to view past records, in MyStudent. SROs will only be provided with access to the records of those students at the schools to which the SRO is assigned.
- 3.05** Records, videos, or files which the SRO creates and maintains for law enforcement purposes rather than school disciplinary purposes are not student education records and are not protected by FERPA or SPDPA. These law enforcement unit records are within the sole control of the Agency, but may, in accordance with state law, be shared in

certain circumstances with the School District under Utah's Governmental Records and Access Management Act.

- 3.06** Notwithstanding any of the above, if an SRO or law enforcement officer presents a warrant, subpoena, or court order for specific educational records or video recordings, those items shall be provided to the SRO or law enforcement officer as soon as practicable.

SECTION FOUR STUDENT RIGHTS

- 4.01** Agency and the District agree that in handling all student offenses, both parties will comply with state and federal law regarding the rights of students, as follows:

- 4.02** As a general rule, if there are possible criminal implications to the students' conduct, the administrator may refer the investigation to the SRO, and the SRO will conduct interviews and searches in accordance with appropriate law.

- 4.03** Procedures for conducting searches, interviews, and arrests:

a) Searches:

- i. If an administrator is conducting a search, the administrator must have reasonable suspicion to conduct the search and the search must be reasonable in scope.
- ii. If an SRO is conducting a search, the SRO must have probable cause to conduct the search and the search must be limited in scope to the purpose of the search, unless exigent circumstances exist where an officer is allowed to conduct a search subject to reasonable suspicion (e.g weapons)
- iii. Administrators, not SROs, should conduct searches when a school rule or policy is at issue. SROs may conduct searches where a criminal law is at issue.

b) Questioning:

- i. When conducting an investigation at school regarding violation of school rules, administrators will take the lead on questioning students.
- ii. SROs may be present during administrator interviews of students but should not participate where the interview is focused on the school infraction.
- iii. Administrators may question students regarding violations of school rules without notifying parents and without reading a student his/her *Miranda* warnings.
- iv. When students under the age of 18 are suspected in potentially criminal activity, SROs will comply with Utah Rules of Juvenile Procedure.
- v. To the extent allowed by law, administrators and the Agency will share information related to offenses occurring on campus obtained during respective interviews by administrators and SROs in order for the

non-interviewing party to perform its duties with respect to the student.

- c) Arrests. If it is necessary to arrest a student at school or a school-related event, the procedures outlined in Section 2.05c) will be followed.

4.04 Information privacy:

- a) Information about a student obtained by administrators during the course of an administrative investigation will be maintained confidentially in the student's file at the school and is considered part of the student's education record under FERPA.
- b) Information obtained by the SRO during the course of a criminal investigation will be maintained by Agency law enforcement in accordance with its policies and procedures as law enforcement unit records.
- c) Information may be shared with each party to this Agreement in accordance with state and federal law and Section Three of this Agreement.
- d) Nothing in this Agreement limits the District's requirement to notify parents and right to notify law enforcement of prohibited acts pursuant to Utah law, and of its requirement to notify law enforcement for weapons violations pursuant to Utah law. Nothing in this Agreement limits the Agency in its requirement to notify the District of certain offenses by minors pursuant to Utah Code 80-6-103. **SECTION SEVEN
GOVERNMENTAL IMMUNITY**

- 7.01** The District and the Agency are governmental entities and subject to the Governmental Immunity Act of Utah, Utah Code Ann. Sections 63G-7-101, et seq. ("Act").
