Daryl Silberman	Jackie Jaime	Jackie is amazing! She always comes with the most fun activities and never misses an opportunity to laugh and just have fun with the students. She is in so many places but she gives each student her undivided attention!
Amy Saucedo	Brittany Jurasz	I had the opportunity to observe Brittany run a Unique group in her classroom and she ROCKED IT! She definitely has a classroom that can be difficult to run as a whole group, but she was able to model wonderful instruction. Brittany and her staff work so well with all of the students, she takes the time to interact with each child during the lesson, encourages total communication, and delivered her instruction with ease. She is so flexible and able to make her lesson great, even with behaviors and distractions present in the room. Nicely done!!!
Amy Saucedo	Karolina Sroka	Karolina always does a great job with speech in my classroom, but seeing her interact with a parent during an IEP was SO heartwarming. The mother was so happy that Karolina also spoke Polish, and was able to discuss the student's IEP in Polish with her. The mom was tearing up because of how appreciative she was!!
Natalie DiMaria	Tim Aguila	Tim is always so flexible and supportive of my classroom's needs! He provides my group with fun activities and meets them where they are at each day. Thank you for all you do, Mr. A! We appreciate you.
