Additional comments:

Liz is an amazing asset to Emerson Middle School. In the two years that she has been a part of our staff she has helped countless numbers of students and families. She is a warm and personable and quickly establishes a relationship with many of our most at-risk students. She helps them to be successful academically by helping them complete work, reteaching concepts, study for tests, etc. Most importantly Liz understands that a student's basic needs must be met for them to actively participate in school. She supports them in acquiring basic needs (clothes, food, etc.) and helps them socially and emotionally also. Her patience and sense of humor are inspirational to the entire staff. Liz is most deserving of the Golden Apple Award!
