Salvation Army

Each year, the Salvation Army hosts its Class Act Backpack and School Supply Telethon, inviting community members to donate in support of students. The funds collected are used to purchase backpacks and school supplies for children across Milwaukee and Waukesha counties. We are grateful that the Salvation Army selected the West Allis-West Milwaukee School District as a recipient this year, providing a total of 132 backpacks for our students.

First United Methodist Church

We extend our sincere gratitude to First United Methodist Church for their generous donation to the West Allis-West Milwaukee School District. Their contribution will make it possible to purchase much-needed supplies for our schools, directly supporting both students and staff. Community partnerships like this play an important role in ensuring our schools have the resources needed to create positive learning environments, and we are truly thankful for their commitment to our students' success.
