SUBJECT: FY 2021 BUDGET REVISION

PURPOSE:

A budget is a spending plan that is based on what is financially known at a given point in time. The revised FY2021 budget has been adjusted to reflect the salary and benefits for employees hired for this school year, staffing turnover, adjustment that have been made in the year, and updated expense information we had once all grants have been awarded.

Information about the general fund budget recommendations is described below with detailed information included in the attached FY2021 budget revision spreadsheet for the general fund, food service fund, pupil transportation, and the employee housing fund. This will be the only FY2021 budget revision required this year.

PERTINENT INFORMATION – GENERAL FUND:

REVENUE BUDGET

The October 2020 OASIS enrollment resulted in 24 students less than the enrollment projection and 8 less Intensive students than projected; therefore, SISD is receiving a decrease of \$792,804 in state revenue per the foundation funding formula. The decrease in enrollment placed us into a new hold harmless so we have been able to reduce our decrease in foundation by nearly \$525K (without the hold harmless it would have been a \$1,388,907 decrease in foundation). The PERS/TRS on-behalf revenue amount equals the total of these accounts included in the expenditure budget. The PERS/TRS on-behalf represent the State's contribution toward SISD retirement costs which is awarded annually through the legislative process.

EXPENDITURE BUDGET

SALARY AND BENEFITS: Salary and benefit accounts have been reviewed and updated to reflect the costs for employees hired this year, staff turnover, as well as any grant funding we have received that will offset employee's salaries & benefits.

COMMUNICATIONS: We increased Internet in Technology \$105K and decreased the communication expense in other District functions based on YTD expenditures by \$2,200 for a net increase of \$102,800.

STAFF AND STUDENT TRAVEL: We decreased staff and student travel by \$62,975. Due to COVID19 most travel has been eliminated YTD; however, we have left some travel budgeted in the event travel resumes later in the year.

OTHER PURCHASED SERVICES AND PROFESSIONAL AND TECHNICAL SERVICES: Professional and technical budgets have been decreased by \$4,300. Other purchased services were reduced by \$23K.

FISCAL SERVICES & MAINTENANCE INSURANCE: Our insurance costs did increase \$7,596 even with increasing our deductible, with the single largest increase being for the Float House Marine insurance.

SUPPLIES - TEXTBOOK AND LIBRARY BOOK SUPPLIES: We have reduced the textbook budget for this year by \$10K, and also reduced supplies in sites regular instruction budgets for the reduced enrollment, correspondence, DW School Administration, Business Office, & Maintenance & Operations by \$90K.

Indirect Cost Recovery: With the addition of recent grants and carryover from last year, indirect recovery from those grants will increase by \$22,516K.

EQUIPMENT: We removed the \$10K budgeted for equipment in the Maintenance & Operation Department.

TRANSFERS: The line item for special revenue overruns was reduced by \$2,500, however I really do not foresee us having any special revenue funds overruns.

PERTINENT INFORMATION – PUPIL TRANSPORTATION FUND:

Due to the decrease in enrollment, it caused our pupil transportation grant (which is calculated based on adjustment enrollment) we have decreased its revenue by \$34K. We did end the year June 30, 2020 with a \$385K fund balance in this fund and will likely add to that this year as the expenses are less than the overall revenue we will receive.

RECOMMENDATION:

The administration recommends the Board of Education approve the revision to the FY2021 general fund, food service fund, and pupil transportation fund. The recommended revenue and expenditures budgets are as follows:
