## Our Units for January:

This month's theme is winter. We will be talking about winter clothes, animals in the winter, and fun things we can do in the cold weather.

## The ELDS Strands followed:

- Science - Strand E -Support children to understand features of earth
- Mathematics - Strand C - Support children to understand the attributes and relative properties of objects
- Lang. & Literacy - Strand B- Support children to use language
- Conventions of conversation - Strand B - Support children to use logic and reasoning

We also had a visit from Mindy, Dave Nardone's service dog.

## Professional Learning Topics:

- Connecticut Early Learning and Development Standards
  - NAEYC Standards
  - Yoga for the Youngest
  - STEM Play : Integrating Inquiry into Learning Centers
-

# Operations

---

**The indoor playground is now complete and the students love being able to use the space.**

# Culture & Climate

The Little Raiders University staff will be working very closely with the Office of Early Childhood, and NAEYC to continue in the self study process of accreditation. We were lucky enough to be awarded a grant to have an AFP facilitator Kristen Kennen work directly with us toward NAEYC Accreditation. Kristen meets with the LRU staff monthly.

**Thank you for your time.**
