

Recommendation for Salary Increase of At-Will Employees

All 57 At-Will Employees will receive a salary increase for the 2013-2014 school year. No At-Will Employees are at the top of their respective salary charts. I recommend a 3% salary increase for all At-Will Employees at Waskom ISD.

The total cost of this recommended 3% salary increase for all At-Will Employees is \$30,189.00.

Motion: "I move to increase the annual salary of all At-Will Employees by 3%."

This motion requires a second and a majority vote.
